Engineers Schedule Bid Opening Aug. 12 On Flood Control Work

Opening of bids on Aug. 12 for construction of two canal and one on Miami Canal for construction of the Central and Southern Florida Flood Control Project has been announced by the U. S. Army Corps of Engineers in Jacksonville.

Immediately after assuming office in January, I instructed the State Road Board to correct this condition as soon as possible. I want to commend Chairman Bowen, the Board, Board and particularly Chelsea Senerchia for their prompt action in this matter.

Following a detailed engineering study, the Road Board accepted bids for 25 miles of guard rail and adopted a program that included heavy measures designed to prevent motorists from losing their lives in canals adjacent to these highways.

While the Road Department's construction funds are limited to the present, I believe I am justified in endorsing the expenditure of funds for this highway safety program."

Work To Start Soon On Additions To B. G. Area Schools

Additions to Lake Shore High School and Rosenwald Elementary School, to cost some \$300,000 were announced this week by County Superintendent W. Fulmer.

The successful bidder will be required to complete the work within 120 calendar days after receiving notice to proceed.

Belle Glade Day At World's Fair Sunday, Aug. 8th

The City Commission is sponsoring the presence of Mayor LeBron Williams at the Florida World's Fair.

Any who are expecting to be in or around the Fair near that date attempt to arrange to be on hand to help the Mayor.

The Chairman E. F. Van Kessel of the PBG World's Fair Authority asked the City, "to let the people of the Belle Glade citizens will be there."

State Officials Will Participate

Area residents from Pahokee, South Bay, Clewiston and Belle Glade are expected to overflow the Palm Beach County Glades Office Building area, two miles North of Belle Glade, along U. S. Highway 441 at 11:30 A. M. Saturday to show their appreciation to State, County and local officials for the preventive action being taken to lessen canal deaths in nine South Florida Counties.

State Treasurer and Insurance Commissioner Braward Williams will be present for the groundbreaking ceremony as well as State Road Board Chairman Floyd Bowen, District Four Engineer of FL Lauderdale.

According to Bill J. Bailey, Publicity Chairman for the event, and members of the radio and television will converge on the groundbreaking site to cover the event where Palm Beach County Commissioner Buel Weaver of Lake Harbor will preside and sing.

Local dignitaries as State Senator Jerry Thomas, State Representative Emmett Turner, County Commissioner Chairman Lake Loyal and the Mayor of Pahokee, South Bay and Belle Glade.

Over 200 people are expected for the invitational luncheon later at the Holiday Inn in Belle Glade, where Master of Ceremonies Robert L. Lewis, Chairman of the festivities highlighted by the principal speaker, Floyd Bowen, State Road Board Chairman.

Mr. and Mrs. George Wedgeworth and their two nephews, Corlind and Mickey McKee, narrowly escaped injury when the Wedgeworths' 4-passenger plane made a forced crash landing in the Tennessee mountains last Saturday morning, after getting bad weather in flight.

The Wedgeworths had flown from Tuxedo, N. C. to White Sulphur Springs, West Virginia to pick up the McKee boys and take them to a vacation for dental services of W. J. Lewis, Sr.

Mrs. Wedgeworth, her mother, Mrs. Jerry McKee Sr., (Evelyn) are daughters of the late Mr. Rawls.

Hootenanny
In South Bay

A Hootenanny at South Bay City Park was enjoyed by a group of young people and parents when two, thirteen-year-old lads from South City starred in their first public performance Tuesday night.

Introducing "The Prodigies" by Jack Waters, the two guitar artists, Jimmy Warren and Butch Waters, entertained from 7 p. m. until 11, playing for the children to dance and sing along with the fine activities planned by the new Teen Town committee.

Mrs. Alice Mixson was emcees for the show. Joe Leavitt, executive director of the show, and Mrs. Foden were behind the scenes with the girls and Virginia William was at the door.

Bill Bailey, vice-president of the South Bay City Park, was unable to attend and gave a talk on Teen Town; Mrs. Wells of Louella Porter Beauty School in West Palm Beach spoke on personal hygiene; Cora Montaño, a local singer, played a lovely guitar during the hour long show.

All the 42 models displayed hair styles featuring Fantasy hair coloring, from three year old tots on up to grandmother.

The two boys began studying guitar after Christmas last year, and their audience was amazed at their talent performance. They were just wonderful, we report.

Mrs. Charles Harmon sang classical and folk songs accompanied by her own guitar music.

Glades Smokers Discourage Skeeters Sales Tax Indicate

Commissioner Doyle Carlton reports the African cannibals stay away from folks who are smokers, because of unpleasant flavor of the flesh. Scientists are now playing with repellents for injection into humans to discourage skeeters and other insects.

Apparently Glades cigarette smokers believe some such system works, for they continue to "smoke up a fog."

In July, Belle Glade received \$16,399 as its share of the cigarette tax money, and the state kept about half that much.

South Bay received \$2,565, while \$6,777 and Clewiston \$5,584.

Remember the state got about \$10 thousand, plus during May from cigarette tax monies, while these cities were getting the amount.

Oh well, who wants to be eaten by a cannibal anyway?

I recall reading some time ago that African cannibals avoided whites who were heavy smokers, because the flesh had an unpleasant flavor.

Now I note scientists are playing around with something along the same line - pills, or "systemic repellents," to be taken orally that tend to make

Anticipated In '65

Recent rains and warm weather have brought cane growth up to 2000 and sugarcane production for sugar and seed

in Louisiana and Florida is forecast at 14,010,000 tons, 2 percent less than last year's crop, according to Florida Crop and Economic Report.

Indicated production in Hawaii of 10,622,000 tons brings the total U.S. crop to 24,632,000 tons, 2 percent less than harvested the previous season.

South Bay is expected to harvest 310,000 acres, this year, 10 percent less than the 345,000,000 acres last season.

Indicated production for Florida for last year's 6,518,000, but ahead of the 1959 to 1963 average of 2,910,000 acres.

humans unpalatable to mosquitoes and other biting insects.

Remember the time the drug manufacturers, but I wonder sometimes how well the human system will be able to cope with all the new products being developed to be taken internally or by injection.

One Slip - Warning Repeated 'Goodby'

Charles Bernard Clark, 23, a probationary policeman in the City of Belle Glade is reputed to have violated his probation by speeding & is no longer carried on the list of City police.

Charles is an ex-service man; he is a negro and has been patrolling the predominantly negro area of the city, and apparently became disgusted with the way he was treated by the city. He accosted on the street around 10:30 at night. When the boy, and a companion, it is reported, refused to give the police officer his name, he was arrested and to cooperate in his efforts to get them home, it is said Charles carried them to a point near the East Lake School and "used a strap" on them.

Mr. Johnson at 1600 Pennsylvania Avenue, Washington, D.C., through a former school teacher who subsequently became the efficiency of a strap on teenagers upstarts, has written a rule about police officers strapping teenagers. As a matter of fact, he has written a bill to the approval of Congress to the point of making it a federal offense, to please a Gawgia Baptist Preacher.

However, you may agree that Charles was probably justified in "strapping" the boy, it's "again the regulations."

Remember the time he emphasized a lesson of the service - you may not agree with the boss, but he's still the BOSS.

The teenager most likely thinks: "God bless Mr. Johnson; I ain't studying no po-o-lice."

Surprise Raid By State Agents Nets Many Arrests On Saturday

In a surprise raid early Saturday morning by 47 state Beverage Agents from Tallahassee, 100 arrests were made for alleged gambling and liquor law violations, in the Belle Glade and Pahokee area.

Raderville, sometimes referred to as "The Ditch," was the target of the surprise visit from the Federal officers.

Agents from all over the state were brought in from Tallahassee to help in the round-up of the alleged violators, of which there were such a number as to necessitate the use of bus from the Glades Correctional Institution to transport them to the station. They were taken to the courtroom of Judge James L.

Tyson, following which, bail bondsman, Randolph Livingston of West Palm Beach, arranged for their release.

Lucius Carter, Pahokee operator of the Pinehurst Tavern, who formerly operated an establishment in South Bay known as "Big Pine" at Allendale, was charged with possession of alcohol beverages for resale and his bond was set at \$750.00.

Low Hill, operator of the Pinehurst Tavern, George Washington Johnson, Jr., 7th Street, Pahokee, was charged with possession of alcohol beverages not covered by his license, was set at \$750.00. Christine Palmer, also known as Christine Kilpatrick, barmaid at the Streamline Tavern, was charged with possession of alcohol beverages for resale and the purpose of resale. Her bond was set at \$750.00, returnable in criminal court in West Palm Beach 27th.

Also found in the raid were a number of lottery or bolita tickets, as well as cards and dice in the establishments where gambling charges were made.

Among the items confiscated were 233 bottles of liquor, 35 bottles of wine and 98 containers of beer. All evidence taken in the raids was kept by the State Beverage Agents it was

stated.

County Solicitor, Marvin U. Mounts, stated that as of to date, there had been no convictions in gambling charges in the court

of Glades residents arrested in the raid at Willie James Tillman's place in Raderville. They were Samuel Hughes, 18, and Eddie Thomas, 19. They have not posted bond.

John P. Pinegar, Jr.

Buried Tuesday 2 P. M.

John P. Pinegar, Jr., 70, son of Mr. and Mrs. John P. Pinegar, 14, South Bay, died Monday at Everglades Memorial Hospital, Pahokee.

Survivors are the parents and one sister Patricia, all of South Bay.

Funeral services were conducted Tuesday at 2 p. m. at Port Mayaca Cemetery with Rev. Jack Ponce, of First Baptist Church, officiating.

Williams Funeral Home was in charge of arrangements.

Slaughters Cows Stocker Steers Up Fifty Cents

"Slaughter cow prices and stocker steer prices were each up 50 cents this week with all other classes holding," according to Pete Clemens, manager of the Glades Livestock Market.

Both slaughter steers and cows are about \$1.50 above May prices and the general outlook is considerably better than a year ago. Steve Clemens, manager for Glades, said his cattle sales have proven highly satisfactory for feed lot operators.

Continued interest depends up on the continued supply and Mr. Clemens requests that he be notified of all consignments in order that possible buyers may be notified.

"LIVE-POWER" WHEEL

CONVERTS 2-WHEEL DRIVE INTO 4-WHEEL DRIVE IN JUST HOURS!

NO GEARS TO PHASE... NO SPEEDS TO CO-ORDINATE...
... NO TIRE SYNCHRONIZATION PROBLEMS

The Levy "Live-Power" Wheel with Hydrostatic Transmission makes mechanical 4-wheel drive obsolete! NOW conventional 2-wheel-drive farm equipment can be converted into powerful, economical 4-wheel drive in a matter of hours with simple "bolt-on" kit (no holes to cut, no gears to mate, no ratios to match), to provide considerable more advantages than mechanical 4-wheel drive, and NONE OF THE DISADVANTAGES WITH use of the Levy special, patented "Power-

ADVANTAGES of 4-Wheel drive with LEVY "LIVE-POWER" Wheel:

(1) **Boosts Traction** so the work season can be extended at both ends of the farm "year." Front-wheel Drive gives all-weather traction to keep equipment moving when adverse conditions would otherwise force farmers off the job. Excellent pull-power is provided on loose, plowed, muddy soil, or where ever unfavourable conditions of flotation and traction may exist, —

Most mechanical 4-wheel drives have a front-wheel turning angle of approximately 27 degrees. The Levy "Live-Power" Wheel allows turns of 40 to 60 degrees without front wheels "plowing" or "sliding" — EVEN UNDER LOAD! No tiresome maneuvering. With this exceptional front wheel turning angle, you work deeper in corners — make sharper turns under full load.

(2) **SAVES TIME** — Increases work accomplished as much as 50 percent. Because "Live" power in all 4 wheel, tractor will pull more plow bottoms; tow an extra harrow; dig a deeper furrow; cover more ground faster on every trip. Tractor can be operated at higher speed without time-consuming slips and wheel-slip.

Because power is distributed to all 4 wheels, less strain is put on transmission, axles and tires. This results in fewer breakdowns and eliminates costly delays for repairs.

(3) **SAVES MONEY** — Four-wheel drive saves on tire wear, saves on engine and differential wear, decreases transmission load, saves in fuel bills, saves on repair bills. It's more efficient — accomplishing more work in a shorter time, requiring less labor.

BOOSTS TRACTION

SAVES TIME

SAVES MONEY

LEVY "LIVE-POWER" WHEEL CONVERSION UNIT CONSISTS OF:

(a) 2 front wheels and tires with a fixed displacement motor mounted on the inside of each wheel; (b) a variable displacement-type pump; (c) filter; (d) controls conveniently located for driver operation.

Vacation time is nearing end, and it is time to think about equipment for the season just ahead! Your JOHN DEERE dealer — EVERGLADES FARM EQUIPMENT CO. has ready for demonstration — Hydraulic Front End drive tractor "Live Power" WHEEL.

Sensational Break-Through In The Development of Hydrostatic Transmission makes Levy "Live-Power" Wheel a Reality

HERE'S HOW THE LEVY "LIVE-POWER" WHEEL CONVERSION UNIT CHANGES 99% OF ALL 2-WHEEL TRACTORS TO 4-WHEEL DRIVE

Simply replace the 2 front wheels and tires with Levy "Live-Power" Wheel; attach pump; connect fluid lines from pump to pump to Power Wheel — mount controls — and you have 4-wheel drive whenever needed.

ADVANTAGES OF "LIVE-POWER" WHEEL

- Levy "Live-Power" Wheel can convert 2-wheel drive into 4-wheel drive. Or it can be added to new 2-wheel drive tractors to convert them to the existing NEW 4-wheel mechanical drive. And, it has none of the disadvantages of a mechanical 4-wheel drive.
- The Levy "Live-Power" Wheel conversion can be done in a matter of hours — even on various tractors with different engines. AND, MAXIMUM EFFICIENCY ON ANY LOAD. Just bolt it on!
- The Levy "Live-Power" Wheel is perfect for heavy-duty applications which eliminates the extra heavy axle and large differential needed in 4-wheel mechanical drive, resulting in more power, less weight, efficiency and eliminating drag and costly, damaging "crabbing" action.
- The Levy "Live-Power" Wheel "knocks" into the power-take-off from tractor equipment, which means no extra strain is placed on the tractor's engine. The wheel only drives the rear wheels. The available engine horsepower is used more efficiently, saving fuel and reducing wear on your tractor equipment. You turn more horsepower into traction!
- Because of Automatic Load Compensation, it takes the Levy Hydrostatic Transmission, if one front wheel goes down, the power is transferred automatically to the other wheel. This eliminates the need for a costly "mechanical" non-slip differential.
- No rigid metal drive shafts, universal joints, etc. — the wheel is a unit. Levy Hydrostatic Transmission connections are all hydraulic.
- No heavy steering units required.
- Power can be applied to all wheels with the flip of a switch, without the driver having to get out of the seat.
- Fewer working parts — thus eliminating most mechanical failures.
- Overload protection is an inherent feature of the hydrostatic transmission which eliminates the damaging "bucking" action which causes costly breakdowns in many mechanical 4-wheel drives.
- Increases the traction efficiency of the tractor 25% to 50% (if a tractor is rated so h.p., its performance is equivalent to the equivalent of a 100 or 125 h.p. tractor).

Forma una atraccion de primera categoria para los visitantes. En este ultimo año, el cocodrilo ha crecido de 4 a 5 pies hasta seis pies de largo.

Tambien aqui en Belle Glade, nos visitan los cocodrilos. El domingo 13 de Junio cuando al anochecer se oyeron fuertes roncos de mias, se paraban para ver pasar un cocodrilo bajo el puente principal de Belle Glade y los ninos tiraban piedras al pequeno cocodrilo, sin lograr alcanzar su punto nadar por el canal del canal.

Sister Mary Jose del Colegio Marymount dice que antes que antes que llegaran las lluvias de este mes, se le reunieron tres cocodrilos, mas que cuando los emigrantes estaban entusiasmados con la idea de formar una caceria de cocodrilos por los canales.

La Junta Escolar de West Palm Beach puso un voto unanime para construir la nueva escuela elemental de Pahokee.

El nuevo colegio acomodara aproximadamente 750 alumnos, y se acuerda localizarlo cerca de la otra escuela. Los edificios de las actuales seran para Junior y Senior High School, el nuevo pisan terminando para 1966. Las escuelas de Pahokee se hallan repletas y crecen en Gladys la educacion en el Gladys.

Los oficiales de Carreras del Estado llegaron a caballo el Sábado 17 de Junio, para las ceremonias de romper el terreno para construir los primeros rieles resguardando el area del canal.

El publico estuvo invitado a asistir a estos actos en el Colegio Marymount el dia 17 de Junio, en el Teatro Oficina Building, a las 11:30 de la mañana. Es el primer paso para eliminar muchos accidentes que han habido en los canales del canal.

CUBAN STUDENT AID

By the Associated Press

The Office of Education says some 600 Cuban refugees will attend United States colleges and universities this summer on loans made available by the office.

Cuban students may borrow up to \$500 per semester or \$1,000 per school year on their promissory notes to repay the loans at 3 percent interest over a 10-year period beginning one year after finishing their training.

A total of \$109,765 is available under the loan program for Cuban students.

Uncle Dan Says

Dear Mister Editor:

Most people that reads the big daily newspapers starts on the front page to see how we was gitting along with our brush work around here with Person A. I'm like them fellers in the State Department, I can't tell heads from tails in these matters, so I turn to items I can understand.

And, incidental, the papers has been full of interesting items lately about matters right now.

For instant, I was reading where we got 13,000 Americans that was past the age of 100 and about 8,000 of 'em was winnen. I reckon the difference is on account of men start gitting married and start workin' hard and saving and the winnen men by going on a diet and seting the beauty parlor. This piece didn't give no reason for that, but my personal idea on why so many more winnen make it to 100. Maybe you got a different opinion, Mister Editor. But if I was you I'd be mighty careful what I said on that subject.

And I was reading this piece where Senator Stephen Young of Ohio was feeling a little bit opertimistic about Government waste. He has reported three of them, I believe, Washington mixed in with politics. That'll be the day when matters in the Congress might take a turn for the better.

Yours truly,
Uncle Dan**Social Security "Man"****Glades Time of Visit**

LUTHER JONES REALTOR**-Too Late To Classify-**

By Russell Kay

The term "students" has be-confidence in adults, including come a dirty word in the minds their parents. They don't trust of many of us as we read our anybody over 30 years of age newspapers and listen to radio and feel that though they may be doing a good job, they may not be doing as good a job as their adults are doing today in creating a better life and better world.

Why are students restless, resentful, opposed to any authority or curb on their activities? Why do they leave their classrooms to join radical groups in protest marches, sit ins, and general hill raising?

It is a question that is giving the educational leaders, teachers, law enforcement authorities on the verge of a nervous breakdown.

It is easy enough to balance student uprisings like the one in New York, but it is also easy on communists, bastards and trouble making agitators but there is more to it than that.

The fact of the matter is American youth is easily controlled by the future. They see the world they are about to enter in search of opportunity and some sort of security for themselves and their children in a better world. A child's exterior world controlled by what they feel are incompetent adults who have made a general mess of things and don't seem to have any answers.

Is your newspaper to see the CBS news report of the Bellafair affair it may have changed your viewpoint as it did mine. From it we learned that among the students arrested in New York there were those who stood highest in their grades who felt that our present educational system is a flop and is doing little to equip them to face the world when they graduate.

THE DOWN STAIRCASE.

Kaufman, If you have not had your name put on the waiting list for this best seller, do it now. By the time it is published in metropolitan high school, it has almost no plot. It is composed of bulletin board notices, communiques from a fussbudget advertising assistant, and a smattering of ideas, principles and facts on desks to desk, and answers on English exams. A first year teacher becomes "involved" with all of her problem children, and her problems are for delightful, zany reading.

HOTEL HALEY.

Find here the saga of a New Orleans hotel, saved from the flames by a fireman who was a chain-smoker, the presence of a young administrator fresh from Cornell. It begins lighter moments.

Education is getting, and it is time for the communists, outsiders and rabid crusaders to be found erging the disturbed students on and attempting to control the revolution, a large percentage of them actively engaged in their protest. The students sincerely feel that they have justification for their protest.

City Products Edges Loxahatchee 5-4; Leads Softball League By 3 1-2 Games

Alvy Early doubled home run with City Products in the third inning when, after striking out, Rayford Martin was safe at first when the third strike got away from City Product's catcher Mac Crews. Charles Deese then tripled home and George protected a 3-2 come lead to second-place Hashley's Dry Cleaners, who split a pair of games losing to Loxahatchee, 13-7 and winning from I. A. M. Local No. 57, 7-2.

Loxahatchee broke a 1-1 tie when Alvy Early connected

for his fifth home run, cutting the lead to 4-3. Butch Butler followed Early's blast with a double, and alertly scored as Loxahatchee suffered a mental lapse between pitches to tie the score. It stayed that way until the bottom of the seventh with a double down the left field line. Early followed with his game-winning hit. Phil Bonelli was the winning pitcher, striking out 10 and步行 up his 12th victory.

The Angels from Loxahatchee showed much improvement as they bombed second place Hashley's Dry Cleaners, 13-7, with the power of Jim Williams and George Hamlet. Williams hit two home runs and a double while Hamlet sprayed three singles helping Phil Overfelt even his pitching mark at 4-4.

Hashley's bounced back with a 7-2 win over I. A. M. Local No. 57 behind the hitting of Ernie Soles. The big first baseman had a homer, double, and two singles helping Earl Vann post his sixth win against four defeats.

Fred Kemp drove in five runs with three doubles and a single as Glades Chevrolet came from behind and dunned I. A. M. Local No. 57, 17-8. Eddie Buckner and Frank Kruse homered for Glades Chevrolet.

Geneva's Drive-In dropped the final game in a row as Loxahatchee topped them, 10-8. Richard Bruce picked up the victory in relief. Willie Lee homered for Geneva's.

TIGER TALES

FEW ANIMALS ARE AS FIERCE IN APPEARANCE AS A MOTHER TIGER AND HER CUB WITHIN THE CONFINES OF A ZOO...

BUT APPEARANCES ARE DECEIVING. SO POWERFUL AND SO BEAUTIFUL ARE THE TIGERS THAT PROFESSIONAL ATHLETIC TEAMS ADOPT THEM AS A SYMBOL OF ENERGY, BEAUTY AND VITALITY.

SO DO COLLEGE AND UNIVERSITY TEAMS SUCH AS PRINCETON, L.S.U., CLEMSON, SEWANEE, AUBURN, MISSOURI, UNIVERSITY OF THE PACIFIC, AND MANY MORE.

BUT PERHAPS THE BEST-KNOWN TIGER OF ALL TIME IS THE FIERCE, POWERFUL TIGER NOW FAMOUS AS THE "TIGER IN THE TANK."

Vernon Farmer, 37
Buried In Georgia

Vernon Farmer, 37, of Albany, Georgia died suddenly of a heart attack last Tuesday while he was at work in the kitchen on a trip and was in Kentucky when he was stricken.

He was the nephew of Mr. and Mrs. S. M. McAllister, and has visited here many times, while on business in this area. He attended First Baptist Church with them.

He left his wife and three daughters. Services were conducted Friday, July 9 in the Baptist Cemetery, with burial in the local cemetery. Mr. and Mrs. McAllister attended the services.

Why YOU need
FIRE Insurance

A fire starts in an American home every two minutes. There are about 362,000 home fires each year. Why not determine now to eliminate all fire hazards and check your present fire insurance?

Ask any woman who owns an electric dishwasher. She is so proud of it—and rightly so! An electric dishwasher ends forever a drudging chore. Washes, rinses, and dries automatically (even pots 'n' pans). She can join in family-fun while everything gets done... better, cleaner, and more sanitary than ever possible by hand. Safeguards family health! Saves an hour a day... and hands stay lovelier, too!

AN ELECTRIC FOOD
WASTE DISPOSER
comes up perfectly with
the dishwasher for a
tidier, cleaner kitchen.
With electric disposal
than ever, it's easy to
enjoy them both!THREE NO. 100

A Report From Your National Guard

The Shore Platoon of the 1043rd Transportation Company, Belle Glade, received a group of young men from the Evaluators on their recently completed 15-day active duty stint, raining with the regular Army at Ft. Eustis, Virginia.

Information and pictures are furnished by a local Guardsman "to inform the communities on some of the training your Local Guardsmen received at this annual encampment."

"We want our friends and neighbors to KNOW what we have accomplished to prove we are NOT Weekend Warriors," The Guardsman said.

This training is continued year-round, including many more subjects and projects which are required to make a good Guardman.

"Your local Guard Unit is always in need of support. Get behind your guard . . . we stand ready to support you," he emphasized.

The training was composed of various classes and on-the-job training on a
